

Blackberry Eclectic Skins Collection

Product description:

Personalize and protect your BlackBerry 8120/8130 smartphone with BlackBerry Eclectic Skins Collection. The rubberized exterior provides you with a sure grip, protecting all corners and sides of your smartphone against bumps and scratches. It also helps prevent your smartphone from sliding across your car's dashboard or other slick or angled surfaces. The Eclectic Skins Collection includes Magenta, White and Black.

Features:

- Easy-access openings for camera, audio input and output ports,
- Mini-USB port, programmable convenience keys and stereo jack. Plus, the keyboard and screen remain uncovered, so you can type and place calls as efficiently as ever.
