HBH-PV702

Bluetooth™ Headset

Go handsfree with a high performance headset

With the HBH-PV702 you do not have to pay a lot for a high quality, trustworthy and comfortable headset. Up to 8 hours talk time and 200 hours standby time, all wrapped in a compact and stylish design. With a weight of a mere 14 g., this wireless headset is light on your ear for added comfort. A soft yet sturdy ear hook makes the HBH-PV702 quick and easy to put on and take off your ear and remains stable throughout your call.

Drawing from Sony Ericsson's in depth knowledge of wireless technology and design, the Bluetooth™ Headset HBH-PV702 provides you with the freedom of handsfree calling. Leave your mobile phone in a pocket or a bag and handle all your calls through your headset.

The HBH-PV702 comes in black or white with an exclusive dimpled surface. Enjoy an affordable classic headset for every wearing occasion.
