

Sony Ericsson Camera Phone Kit IPK-100

Product description:

The case provides easy access to your camera phone and attaches to the adjustable tripod. Never miss a shot or star in your own photo opportunities. The case is tough to keep your phone protected and elasticated for a snug fit. Keep your impressive camera phone and the memories saved in it intact. Give your excellent camera phone that extra it deserves. Add a premium case, tripod and belt clip to help bring out the photographer in you.

Features: Attach the tripod to the IPK-100, use the self timer on the phone and put yourself in the picture.

Compatibility: K550i, K850i, K790a
