

Sony Ericsson Car Holder Kit HCK-40

Product description:

Comprising a windshield mount, in car holder suitable for all phones and a charger, the HCK-40 keeps your phone charged and to hand in the car. Adjust the flexible windshield mount to the angle and height that ensures your phone stays within reach but out of the way. Your phone display is always visible and accessible when it's seated in a car holder. Safe and easy to handle calls, close to the wheel.

Features: Flexible windshield mount.

Compatibility: W380a, W890i, W580i
