

Sony Ericsson Portable Stereo Handsfree HPM-90

Product description:

Handle calls and listen to the music on your Walkman phone without touching it. The OLED display and keys on the HPM-90 put you in full control. Adjust volume, play, skip and view tracks, see who's calling, SMS notification and more. The remote unit on the HPM-90 puts it all at your fingertips. A perfect balance of bass and treble played through in-ear headphones gives great audio performance. It's so light you won't even notice it's there.
